Radio Station WSM
Nashville, Tennessee

Gentlemen:

I have had numerous inquiries as to why my broadcasts were not given over WSM on the mornings of September 27 and October 11.

I assumed that weather conditions prevailing on Saturday afternoon, September 26, prevented the record from reaching the station in time for the broadcast at 8:30 Sunday morning, the 27th.

With regard to the record for October 11, I have checked with the Air Express Office and find that it left Washington Saturday night on the 7:30 American Airlines Plane and should have reached Nashville around Midnight. I would like to know if the record did not arrive in time for the broadcast Sunday morning, or if there was some other reason which prevented your using it. If it is not reaching the station in time for the broadcast, I will get it off on an earlier plane.

Sincerely yours,

Albert Gore, M. C.
