Copy to Congressman McCord

W.S.M.
Nashville, Tennessee

Gentlemen:

I am going away on a speaking trip to the West Coast and have invited Congressman James N. McCord to make the "This Week In Washington" broadcast on July 11 and 18. He has kindly consented to do so. I think he plans to be in Tennessee at the time and will either come to the studio to make the record during the latter part of the week or will make the broadcast direct on Sunday morning.

I am sure that you, as will I, will be glad to have Congressman McCord on these occasions.

Sincerely yours,

Albert Gore, M. C.
