RICHARD S. RIMANOCZY
PROGRAM DIRECTOR

November 1, 1943

Dear Congressman Gore:

We are genuinely sorry to hear that plans have been made for you that will temporarily make you unavailable for forum activity. We are booked tight through November, which makes the ratification program impossible this month. However, it may be of some small comfort to know that you have started a train of events and that we will deal with this subject in the near future.

The unwieldiness of Constitutional procedure on foreign policy may have had merit in the 18th and 19th Centuries but it certainly has been an international headache since 1918.

We appreciate your suggesting this program and will see that you receive copies if it is possible to get them to you.

Kindest personal regards.

Very sincerely,
Richard S. Rimanoczy

Mr. Richard S. Rimanoczy
The American Economic Foundation

Dear Mr. Rimanoczy:

Thank you for your letter of November 1.
I am delighted to know that the subject will be
discussed. I hope you saw the editorial in the current
issue of *Colliers*.

It appears now that the date of my prospective
induction is a little indefinite so whenever you schedule
the program you might give me a buzz in case it fits
in with your plans.

Sincerely yours,

AG/db
